RESOLUTION CERTIFYING THE FISCAL YEAR 2023 BUDGET FOR PREPA

WHEREAS, on June 30, 2016, the federal Puerto Rico Oversight, Management, and Economic Stability Act (“PROMESA”) was enacted; and

WHEREAS, Section 101 of PROMESA created the Financial Oversight and Management Board for Puerto Rico (“the Oversight Board”); and

WHEREAS, Section 202(c) of PROMESA establishes a multi-step procedure for the development, review, and approval of a budget for covered instrumentalities of the Commonwealth of Puerto Rico, such as the Puerto Rico Electric Power Authority (“PREPA”), providing that (i) the Governor must submit a proposed budget to the Oversight Board; (ii) the Oversight Board must review the proposed budget and determine, in the Oversight Board’s sole discretion, either that the proposed budget complies with the applicable fiscal plan or that it does not, in which case the Oversight Board must issue a notice of violation and recommended revisions, giving the Governor an opportunity to correct the violations; (iii) the Governor may then submit a revised proposed budget; and (iv) if the Governor fails timely to submit a proposed budget that the Oversight Board determines in its sole discretion is a compliant budget, the Oversight Board shall develop and submit to the Governor its own compliant budget; and

WHEREAS, by letter dated February 22, 2022, the Oversight Board, pursuant to Section 202(a) of PROMESA, submitted to the Governor a schedule for developing, submitting, approving, and certifying the Fiscal Year 2023 Budget for PREPA; and

WHEREAS, from June 15, 2022 through June 17, 2022, PREPA’s representatives, the Oversight Board’s staff and consultants, the Puerto Rico Public-Private Partnerships Authority’s (P3A) staff and consultants, and attorneys engaged in discussions about the Fiscal Year 2023 Budget for PREPA and the Oversight Board’s concerns regarding the budget; and

WHEREAS, on June 22, 2022, the Governor submitted the proposed Fiscal Year 2023 Budget for PREPA; and

WHEREAS, the Oversight Board and its advisors held discussions with the Governor’s representatives regarding the proposed Fiscal Year 2023 Budget for PREPA; and

WHEREAS, after substantial deliberations, on June 28, 2022, the Oversight Board sent to the Governor a notice of violation pursuant to Section 202(c)(1)(B) of PROMESA regarding the Governor’s proposed Fiscal Year 2023 Budget for PREPA; and

WHEREAS, the Governor did not submit a revised proposed Fiscal Year 2023 Budget for PREPA by the established deadline; and

WHEREAS, after substantial deliberations, the Oversight Board determined that the proposed Fiscal Year 2023 Budget for PREPA does not reflect a compliant budget as required by Section 202(c)(2) of PROMESA; and

WHEREAS, the Oversight Board has developed a revised, compliant Fiscal Year 2023 Budget for PREPA for submission to the Governor pursuant to Sections 202(c)(2) and 202(e)(4) of PROMESA, which budget is attached hereto as Exhibit 1 (the “Compliant 2023 PREPA Budget”);

NOW, THEREFORE, IT IS HEREBY RESOLVED THAT, pursuant to Sections 202(c)(2) and 202(e)(4) of PROMESA, the Oversight Board shall submit to the Governor the Compliant 2023 PREPA Budget, and such budget shall be (i) deemed to be approved by the Governor, (ii) the subject of a compliance certification to be issued by the Oversight Board to the Governor, and (iii) in full force and effect beginning on July 1, 2022.

**III. ENFORCEMENT OF THE PUERTO RICO ELECTRIC
POWER AUTHORITY FY23 BUDGET**

Section 2.- All expenditures authorized in any prior fiscal year are terminated and no disbursement of public funds may be covered by such expenditure authorization, except: (1) expenditures to carry out capital improvements that have been accounted for and kept on the books; (2) capital and maintenance expenditures with procurement cycles that extend beyond the end of the fiscal year that have been accounted for and kept on the books; (3) the portion of any other expenditures authorized in the Puerto Rico Electric Power Authority (“PREPA”) Certified Budget for fiscal year 2022; and (4) the portion of the appropriations authorized for fiscal year 2022 that have been allocated, transferred or designated on or before June 30 of such fiscal year. This restriction on expenditures authorized in any prior fiscal year shall not apply to: (i) programs financed in whole or part with federal funds; (ii) orders by the United States district court with jurisdiction over all matters under Title III of PROMESA; and (iii) matters pertaining to any consent decree or injunction, or an administrative order or settlement entered into with a Federal Agency, with respect to Federal programs. In addition, the foregoing exceptions to the restrictions on expenditures authorized in any prior fiscal year are conditioned on the prior written approval of the Oversight Board.

Section 3.- On or before August 31, 2022, the Executive Director of PREPA will provide to the Oversight Board a certification indicating whether there are any unused amounts of the fiscal year 2022 certified budget for items (1), (2), (3), and (4) of Section 2 and, if so, an itemization of such unused amounts.

Section 4.- Notwithstanding any other statement, no unused budget allotments from any previous fiscal year shall be used by PREPA to fund current fiscal year expenditures, except as otherwise expressly authorized by the Oversight Board in writing after June 30, 2022.

Section 5.- The Executive Director of PREPA shall be responsible for not spending or encumbering during fiscal year 2023 any amount that exceeds the expenditures authorized for GenCo and HoldCo herein for fiscal year 2022, other than amounts above those budgeted for fuel and purchased power, which may fluctuate based on market factors or increase due to unforeseen expenses necessary to maintain the electric system’s reliability and safety.

Section 6.- Except for additional expenditures related to fuel and purchased power, the expenditures approved in this budget, including payroll and related expenses, may only be reprogrammed with the prior express written approval of the Oversight Board. For the avoidance of doubt, this prohibition includes any reprogramming of any amount, line item or expenditure provided in this budget. In the case of reprogramming to the fuel and purchased power budget, the Executive Director of PREPA must provide written notice to the Oversight Board of any change to such amounts within 5 days after any such change taking place.

Section 7.- Pursuant to Section 203 of PROMESA, PREPA must submit to the Oversight Board, no later than 15 days after the last day of each quarter of fiscal year 2023, a budget to actual report, along with an explanation of relevant variances as provided in the certified Fiscal Plan. The Oversight Board may determine to provide PREPA a template to be used for such reporting, in which case any quarterly budget to actual reports submitted by PREPA must be submitted consistent with such reporting template.

Section 8.- The Oversight Board reserves the right to, in its sole discretion, issue a notice to the Governor, pursuant to PROMESA Section 202(a), setting forth a schedule for revising PREPA's budget.

Section 9.- The PREPA budget for FY2023 shall take effect on July 1, 2022.
